Growing Bright Minds from Age Three through Grade Six

Elementary Enrichment Programs Winter 2019

Welcome to the Winter Enrichment Programs. Classes will begin the week of **January 7** from 4:00 to 5:30 pm. Please return forms and payment to the Business office. **REGISTRATION FORMS AND PAYMENT ARE DUE FRIDAY, January 4, 2019.**

Students will go directly to the Elementary After School Program when school is dismissed.

We encourage each student to bring a healthy snack for the beginning of the Enrichment Program. Students will return to the After School Program at the completion of the Enrichment Program, or you may pick them up at the end of the Enrichment Program.

Due to contractual agreements with the instructors, classes will not be prorated and programs are non-refundable. If a class is canceled because the instructor is absent due to unforeseen circumstance (such as illness or inclement weather), we will make accommodations for the students to attend after school if needed and work to reschedule the class.

Program Descriptions

Monday: Homework Club

Instructor: Mrs. Abysalh

Program Begins January 07, 2019

Program Ends April 01, 2018

Minimum of 3 students and Maximum of 15 students per session

Time: 4:00 to 5:00pm - 12 weeks

Homework Club is a place for students to work on their homework, reading, and other projects in a casual setting. Students can work collaboratively and quietly to discuss their work. They will be able to seek support from the teacher. Students do need to be working on homework or school projects to participate.

Tuesday: Makerspace

Instructor: Mrs. Truong and Mrs. Okerlund

Program Begins January 08, 2019

Program Ends February 19, 2019

Minimum of 6 students and Maximum of 12 students (6 LE & 6 UL) per session

Time: 4:00 to 5:30pm – 6 weeks

Calling all Builders, Crafters, and Tinkers! Come explore, design, and create with materials and tools for young creative minds. Build on the LEGO wall. Construct with KEVA planks. Make your own fashion. Create marble runs around the room. Enjoy knitting, weaving, crafting, jewelry-making, and more.

Tuesday: Basketball

Instructor: Ms. Maynard

Program Begins February 26, 2019

Program Ends May 14, 2019

Minimum of 10 students and Maximum of 16 students per session

Time: 4:00 to 5:30pm – 12 weeks

Students will play to improve their skills using drills and scrimmages at the Oak Middle School gymnasium.

Students are required to wear sneakers and to bring a water bottle. Students should bring a healthy “portable” snack to have before the walk to Oak Middle School. **Students will be dismissed from Oak Middle School at 5:00pm.**

Wednesday: Scrapbooking

Instructor: Ms. Erle (Librarian)

Program Begins January 09, 2019

Program Ends February 13, 2019

Minimum of 4 students and Maximum of 12 students per session

Time: 4:00 to 5:00pm – 6 weeks

We will learn the basics of scrapbooking, and make amazing scrapbook pages that will keep memories organized forever! Scrapbook layouts often focus on family members and friends, vacations, holidays and special events such as birthdays. The students just need to bring a scrapbook (any size) and pictures (4x6 or 3x5). Everything else will be provided!

Wednesday: Elementary Drawing with Young Rembrandts

Instructor: Young Rembrandts of SW Boston and Central MA

Program Begins February 27, 2019

Program Ends April 03, 2019

Minimum of 4 students and Maximum of 12 students per session

Time: 4:00 to 5:30pm – 6 weeks

Ring in the New Year with a fun-filled Young Rembrandts class alleviates winter dormancy! Young Rembrandts teaches drawing, the fundamental skill of all visual arts. Our unique, proven method and step-by-step curriculum foster a wealth of skills such as fine motor skills, handwriting readiness and attention to detail. Our budding artists will have the opportunity to flex their creative muscle as they take on fun, artistic challenges. Content is based on child-friendly subjects that open the imagination and stretch the mind. Each week students complete a new lesson, focusing on specific art terms and techniques they can apply to their own drawings. Kids love our upbeat and positive classroom environment.

Thursday: Jedi Engineering using LEGO – Grade K - 6

Instructor: Play-Well TEKologies

Program Begins January 10, 2019

Program Ends April 04, 2019
