

Shrewsbury Montessori School (SMS) has been providing quality preschool and kindergarten programs to serve Shrewsbury and surrounding towns since 1972. Throughout the 49 years, SMS has steadfastly expanded its enrollment and physical plant to meet families' needs in the Greater Worcester area. As one of the earlier sites, SMS rented the basement from the Mount Olivet Lutheran Church on Prospect Street in downtown Shrewsbury to serve around 40 aged 3-6 children.

In 2019, SMS came full circle to close the purchase of the Mount Olivet Lutheran Church building as an additional campus to expand our programs.

Starting Fall 2022, our Prospect Street Campus will house five additional classrooms to offer Toddler and Children's House education for children from age 18 months to age 6. In addition to the natural toned state-of-the-art new Montessori classrooms, this location will also offer indoor and outdoor event space for all school gatherings and possible summer programs.
